## SUMMARY

A self-motivated, eager-to-learn Informatics Junior with experience in full-stack web development, object-oriented programming, and customer services, seeking internship opportunities in Summer 2022.

## EDUCATION

<b>Bachelor of Science, Informatics</b>	May 2023
Ira A. Fulton Schools of Engineering, Arizona State University (ASU), Tempe, AZ	GPA: 3.73
• New American University Scholar	
<b>Associate of Science, Computer Science &amp; Associate of Business</b>	June 2020
North Seattle College, Seattle, WA	GPA: 3.59
• Dean's List (2018-2020)	

## TECHNICAL SKILLS

**Programming Languages:** JavaScript, Java, Python, C/C++

**Front-End:** HTML, CSS

**Tools, Database, and OS:** Node.JS, Express.JS, SQL, GitHub, MacOS, Linux/Unix

## RELEVANT PROJECT

### To-do Calendar Program, Class Project

- Designed and developed a web that allows users to create accounts, login and adds to-do tasks to the list with the user interfaces **HTML/CSS** front-end and **JavaScript, NodeJS, Express** back-end.
- Salt and Hash passwords with Bcrypt then store the username, password, and input tasks into **SQL** database and cookies.
- Allowed users to log out and delete the cookie for the web application.

### Yahtzee Game, Class Project

- Created a dice rolling game in which players compete to achieve the highest possible total score using OOP in **Java**.
- Players have 5 dice to roll up to 3 turns, and between each throw, players can specify which dice they want to keep and re-roll the rest. They have the score sheet to score after each turn.
- Allowed up to 6 players at a time (In progress).

### Study Website, Class Project

- Designed a personal website that provided tips for students to be successful in their studies. Worked with **HTML5, CSS** using tables, forms, and videos to develop user interfaces.

## WORK EXPERIENCE

<b>Front Desk Office Assistant, University Testing and Scanning Services (ASU), AZ</b>	December 2020 – Present
<ul style="list-style-type: none"><li>• Communicate interpersonally by phone and in-person to provide testing schedules and perform card-payment transactions</li><li>• Handle confidential exam materials from University Faculty for the Scanning team</li><li>• Collaborate with the supervisor in interviewing and training incoming student workers</li><li>• Coordinate outreach events to improve the workplace environment</li><li>• Ensure data accuracy on an entry-level and conduct test security screening</li></ul>	
<b>SILC Learning Support Service (ASU), AZ</b>	August 2020
<ul style="list-style-type: none"><li>• Instructed Zoom Ambassadors to set up and turn off visual and audio pieces of equipment properly at the end of class</li><li>• Collaborate with instructors on setting up classroom equipment for ASU Sync lectures accordingly in different classroom environments</li></ul>	

**Front Desk Office Assistant – Proctor, Testing Center, North Seattle College, WA**

November 2019 – March 2020

- Proctored students for Placement, Accommodation tests, and professional testers with different types of tests.

**COMMUNITY INVOLVEMENT**

---

**Mentor, North Seattle College, Seattle, WA**

June 2018

- Coordinated events and handled confidential documents in a three-day orientation
- Translated information to reinforce acknowledgment of campus policy and U.S Immigration Legislations for international students
